We are excited to bring you the second edition of our CO+OP Resource Manual. This manual was developed to provide you with a full spectrum of all the resources that go along with being a member of the CO+OP as we celebrate our 27th year.

A full page is dedicated to the products and services of each vendor. Categories are color-coded to help you quickly identify and locate vendors according to your needs. We also included the vendors' ads where you can find contact and additional information.

If you are looking for a specific product or service and do not see it listed, please give us a call at 832-478-5131. If we don't have a vendor that can meet your needs, we may be able to refer you to a company that can. Be sure to check our website at www.Churchco-op.org for new vendors that came on board after the publishing of this manual.

On page 43, you will find the names and faces of our Connection Partners who are available to assist you in connecting with the right vendor. Each can be reached by calling the CO+OP office at 832-478-5131.

If you have had a good experience with a specific vendor that you trust but do not see their name in this magazine, please let me know. It is our desire to cover every need in ministry with vetted and trusted vendors. Likewise, if you have an unsatisfactory experience with a CO+OP vendor, don't hesitate to call me. Our goal is for every church to receive the best value for good stewardship of resources.

A special thank you goes to a few people who help make this magazine the tool it has become: Lauren Burnside of Elbe Creative, our graphic designer; Scott Muckensturm with Brodnax/Varidoc Printing; Grace Bishop, our editor; and Lindsey Lyons, our managing editor. This team works long, tedious hours in preparing a magazine of excellence. We appreciate their eye for detail, their creativity, and willingness to be flexible as each issue goes through the process of becoming a 48 page magazine.

I hope this CO+OP Resource Manual will be a tremendous help as you serve in ministry. Please let me know of other organizations you would like to see become part of the CO+OP to bring you further discounts on goods and services you are already purchasing.

Together We....

CHURCH SUPPLIES & SERVICES INC.

Educational Products, Inc.

Educational Products, Inc.

Always ready to help you!

Educational Products (EPI) has been in business for over 30 years, providing customers with excellent products and services. EPI provides custom-packed, pre-ordered school supply packs, school supplies, apparel fundraising products, science fair products, custom apparel, and tools (both physical and electronic) to help sell all of these products to schools and organizations. We have locations in Houston and Carrollton (Dallas), Texas as well as being a national vendor that services other states across the nation.

EPI carries name-brand products, gives you options on wrapping and delivery, offers online purchasing, takes back any school packs that a customer does not sell to their students, and allows the customer to pay their bill after all the money is collected. Also, we offer a 100% quality guarantee. If a customer is not happy with the product, they simply need to inform their rep and a replacement is sent.

From buying products and coordinating shipments/deliveries, to emailing reminders of deadlines and competitive pricing, EPI tries to make the buying experience as easy as possible for our customers by working hard behind the scenes. In apparel orders, there are no setup charges, no screen fees, and no delivery charges – which are sometimes included or hidden with other apparel companies.

Our Customer Service Department is armed with all of the latest product and pricing information to coordinate with a customer's online experience. They are also equipped to answer any questions or address any concerns that a customer might have about their order with EPI.

Go to any of our easy-to-use and informative websites listed below or call our toll-free main number (800.365.5345) and speak with one of our ready-to-help-you Customer Service Representatives. EPI's hours of operation are 8 a.m. to 5 p.m., Monday-Friday, and online 24 hours a day, 7 days a week. Calls to customers and vendors are made in accordance with each one's working hours and/or established availability.

National Signs

20 Years and Still Going Strong!

National Signs, headquartered in Houston, is the recognized leader in creating unique and effective signage for worship facilities of all denominations.

With over 20 years of experience, National Signs has grown to become one of the largest custom sign manufacturers in the country. Our commitment to quality design and fabrication, along with our personalized customer service, set us apart.

National Signs provides total solutions for church sign projects of any size. From design, engineering and permitting, to manufacturing, project management and installation, National Signs handles it all.

We are experts at creating custom-crafted signs incorporating state-of-the-art LED message centers. There's no more effective and flexible way for you to communicate with parishioners, passers-by, and the community.

Because National Signs owns our 60,000 square foot ultra-modern facility, we are able to maintain total quality control over the manufacturing process. This attention to detail ensures the signage we produce is of the highest quality and accuracy. Our facility features the latest in sign fabrication equipment and technology to better serve you, our clients.

As a testament to National Signs' commitment to quality, all of our LED message center signs come with an unprecedented 5-year parts and labor warranty...on every sign we make. We also offer in-house financing, so no message needs to go unheard. In all aspects, we are committed to meeting your needs and exceeding your expectations.

National Signs has been a proud CO+OP supporter for many years. During that time we have crafted some of the most beautiful and inspiring signs for CO+OP members, and we look forward to working with many more in the years to come.

Call National Signs at 713-863-0600, or visit our website at www.nationalchurchsigns.com to see our latest creations and learn more about how we can help your church communicate more effectively.

Blackmon Mooring

Better Prices - Better Quality - Better Service

For over 65 years Blackmon Mooring has been a leader in the cleaning and restoration carpet-cleaning industry. The success of our company can be attributed to God's blessings upon our company, the Christian leadership of the ownership, and their dedication to helping people. From its inception, these values have been instilled into the company by the founders.

My grandfather, W. G. Blackmon, Jr., first met Scott Mooring in the late 1930s while attending TCU in Fort Worth, Texas. Subsequently, when World War II started in 1941, they both joined the Navy. In 1948, after their stints in the service, my grandfather and Mr. Mooring went into the business of cleaning furniture together.

In May of 1949 the Trinity River levee broke and completely flooded homes and businesses in the area surrounding the Montgomery Ward building in Fort Worth. This was the company's first foray into the disaster recovery business, with the company cleaning the clothes and furniture of the families affected by the flood. From that point on, our business took off.

Blackmon Mooring has been a constant in the Fort Worth community for over 65 years. Still family owned and operated by my father, Kirk, and two uncles, Greg and Bill, our business has grown to 20 locations across the states of Texas, Oklahoma, Georgia, California, and New York . . . and in cities such as Miami, Washington D.C., and Chicago. In the next two years we look to expand further into other areas of the country with all of the services we offer:

- Hot water extraction carpet cleaning
- Serving residential and commercial properties
- World-wide large-scale commercial construction and restoration, a partnership of Blackmon Mooring and BMS CAT

Our company's partnership with the Church CO+OP has not only helped us bring in additional business, but has also strengthened our involvement in the church and charitable communities.

We are proud to say that we have been cleaning furniture and carpet, restoring homes and businesses after a fire or flood, and helping communities recover and rebuild from devastating storms since 1948. Our emergency services are available 24 hours a day, 7 days a week. As we always say, "No job is too big or too small for Blackmon Mooring."

Cameron Blackmon
Corporate Programs Director

For more information about Blackmon Mooring and our services, see our website at www.blackmonmooring.com. Our 24/7 call center (all locations) can be reached at 877.340.7752.

See Blackmon Mooring ad on page 37 of this issue

Champion Forest A/C and Heating

We're in the Neighborhood

Champion Forest Air Conditioning and Heating (CFAC) brings 30 years of industry experience to your organization. Over the past two years, they have broadened their automated controls division through the leadership of their owner and president, Ken Davis, and the support of the Church CO+OP.

After installation of this state-of-the-art controls technology, support staff off the premises is able to log on to the program to differentiate temperatures and identify mechanical break-downs, saving you both time and money. It also helps facility managers with time efficiency and comfort control, while eliminating erroneous service calls to the mechanical service provider.

In support of the commercial maintenance agreements, the CFAC management team works with facility managers and church boards to create an equipment service plan, allowing funds to be allocated before repairs are necessary.

With customer service and Christian ethics as guiding principles, CFAC has become a preferred HVAC service company to many religious organizations across the Houston metro area. For more information, please contact them through email at Cfac01@aol.com or visit them online at cfacservice.com. CFAC can be reached twenty-four hours daily at 281-350-2665.

See CFAC ad on page 36 of this issue

Church Interiors Inc. of Texas

Enhancing Worship by Design

Church Interiors of Texas is part of the nation's leading church renovation company, Church Interiors, Inc., which has a Nationwide Dealer Network of project consultants and installers that are eager to help make improvements to your church.

Church Interiors was established in 1981 in High Point, North Carolina, and initially provided re-upholstery services for church pews and courtroom benches. Since that time the company has expanded into a complete turnkey church decorating and renovation company, offering a host of services designed to enhance the worship experience. Our services include, but are not limited to:

- interior design services and complete building renovation
- construction and painting services
- church furniture (pulpits and chancel furniture, pews, chairs, theater seating, pew refinishing, pew reupholstering and cushions)
- carpet, tile flooring, gym and sports flooring
- light fixtures, audio/video equipment and installation, video projectors, screens...and more!

At Church Interiors, we are sensitive to your style of worship. Before the first recommendation is made, our company will carefully evaluate the existing architecture of your facility and the needs and desires of your entire staff and congregation. Church Interiors is committed to making your church a beautiful, functional ministry tool. Our project sales managers will travel to your church for preliminary meetings, show samples, prepare cost estimates, execute contracts, process paperwork to order materials, and oversee all renovation projects.

With many years of experience in working with churches on renovations and building projects, we have developed a quality line of church products and services. Our on-site interior designers have arranged and developed custom colors in carpet and matching fabrics to meet the needs of any church. Our emphasis on proper design and planning, using the highest quality products and qualified craftsmen, are the keys to our success.

Church Interiors also specializes in pew upholstering. Over the years we have worked diligently to perfect our techniques so that we may serve our customers better. Since 1981 we have participated in over 10,000 renovations and upholstered over 1 million feet of pews. We have renovated areas from small chapels that seat fewer than 100 people to large "cathedrals" that seat over 2,000, including many churches on the Historical Register.

We have many years of experience in working with churches on renovations and building projects. Our professional staff has developed a quality line of church products and services to meet your furnishing needs. We'll provide you with a complete turnkey operation including interior design, or we'll simply replace or restore individual furnishings. Whatever you need, we're committed to making your church or sanctuary beautiful!

Our renovation business is about faith, love, trust and making your church into a tool for ministry to reach people for Christ. We are much honored to be a part of and serve the members of the Church CO+OP.

To learn more about Church Interiors Inc. of Texas and the services we provide, or to access our "online store," please visit www.churchinteriors.com or call Ryan Richards at 512.730.1790. You may email Ryan at ryan@churchinteriors.com.

Comfort Systems USA South Central

A Full-Service Company

The original Comfort Systems was founded in 1947. Our company, Comfort Systems USA South Central, was founded in 1987, and was one of Comfort Systems' first founding companies.

Comfort Systems USA owns 75 mechanical contractors throughout the United States. We service the surrounding Houston area as well as Austin and Dallas. Besides being a full-service air conditioning and heating, plumbing, and refrigeration service provider, we also have on staff mechanical engineers and now have a new construction department, too. To further support our customers and help them become more energy efficient, we have an energy support company.

Purchasing through our national vendor status gives us excellent purchasing capabilities and pricing, and we are able to remain very competitive for our customers.

We believe that one of the reasons we stand out as a premier mechanical service provider is our outlook on service and maintenance. Our goal is to be proactive as opposed to reactive, and to provide excellent customer service. Not only that, we strive to exceed our customers' expectations.

Our technicians are trained to give their expert opinions, and help guide our customers to make decisions that will be the best for their needs and their facilities' needs. Additionally, our maintenance customers are never charged overtime for any service calls placed after hours. All of our technicians are licensed and hold certificates to work on all different types and brands of equipment and controls.

We currently work with several churches and non-profit facilities. Some of our customers include Christ Church Cathedral, Wheeler Avenue Baptist Church, Lutheran High North, Lutheran High South, St. Mark's Episcopal, Chinese Baptist Church, Church Without Walls, First Presbyterian Church and Kingwood Baptist Church.

Comfort Systems USA takes the time to really get to know our customers and to appreciate them. We are open and available 24 hours a day, 7 days a week. Our physical location is 9745 Bent Oak, Houston TX 77040. We are off the Beltway 8 and 290 at Gessner.

For an appointment, or to learn more about our company and the services we provide, please call Carrie McCleary at (832) 590-5761, or at (832) 309-5631, email her at cmccleary@csusasc.com, or visit our website at www.comfortsystemsusa.com.

See Comfort Systems USA ad on page 47 of this issue

DTK, Inc.

A Vendor with a Mission!

DTK, Inc., was founded in 1996 by a husband and wife team in Houston, Texas, with a focus on janitorial supplies and contract cleaning. In 1999, DTK began cleaning the West Campus of Second Baptist Church in Katy and in 2001, DTK became the main cleaning service provider of the one million square foot Woodway (Main) Campus of Second Baptist Church – an incredible opportunity! The Second Baptist Church and the Yellowstone Academy in Houston were the first two customers when DTK’s doors opened.

DTK provides facility services in the states of Texas and Florida for churches, schools, Class A office buildings, retail and fitness facilities, hotels, industrial spaces and more. Our mission is to provide exceptional facility services by establishing relationships with our customers... relationships based on integrity, honesty, respect, value and dependability. We support our customers’ needs and exceed expectations through quality, ethical business practices and services. We believe our customers always come first.

Along with janitorial/custodial services and facilities maintenance, DTK offers grounds management, recycling and “green” cleaning programs, pressure washing, office services, and carpet extraction. In addition, DTK is experienced in event set-up and planning, and school classroom set-up and resets. We believe our long experience in the church/private school sector gives us an industry advantage to fulfill our mission statement:

“Partnering with people, to serve facilities, by changing a culture.”

DTK seeks to hire only friendly, trustworthy, and hard-working people of the highest caliber. Our well-trained, uniformed, and supervised staff is committed to exceeding customers’ expectations. Communication with our customers is done through direct phone, email, or by weekly visits, depending on the situation. We are available 24 hours a day, 7 days a week to serve our customers.

We are active in our community by proudly supporting, out of our offices in Texas and Florida, the following organizations: Athletes in Action (AIA), Brookwood Community, Fellowship of Christian Athletes (FCA), College of Biblical Studies, the National Multiple Sclerosis Society, Reasons to Believe, and the Aid Sudan 5K Walk in 2010 and 2011.

Discover the DTK difference.

Contact us today to discuss your facility service needs and to schedule a free estimate. To schedule services by DTK, contact Joe Precup at 713-463-7878 or visit www.dtkinc.com.

See DTK ad on page 35 of this issue

Gulf Coast Security Services

Security. Quality. Economy.

Gulf Coast Security Services, located in Houston's Westchase District, is a full-service electronic security services company providing customized solutions in electronic intrusion systems, fire detection and annunciation, video surveillance, access control and communication/intercom systems.

Founded in 1988, Gulf Coast Security Services has been proudly serving Texas for over 25 years. Currently monitoring and servicing customers from Orange to the Hill Country and points in between, Gulf Coast installs, services and monitors the latest technologies, but with cost and value in mind. We offer turnkey solutions from design and specification to permitting, installation, testing, training, on-going monitoring and service. We integrate access control, intercom systems, security and video solutions to maximize the effectiveness of our customers' electronic security assets.

We have been serving churches and non-profit organizations since our inception, and quickly learned the need to provide solutions at the lowest possible cost. Today everything we do for CO+OP members is special-priced to preserve as much as possible for their core missions, while still providing for a safe and secure environment.

Gulf Coast is state-licensed by both the Texas Department of Public Safety and the Texas State Fire Marshall, is a member of the Texas Burglar and Fire Alarm Association, and is A+ Rated by the BBB.

See Gulf Coast Security Services ad on page 39 of this issue

Hillyard, Inc.

Over 100 Years of Innovation

Hillyard was founded in 1907 in St. Joseph, Missouri, by N.S. Hillyard, and has been serving the Texas market since 1998, with distribution centers in Houston and San Antonio.

Hillyard has corporate-owned or independent distributors in all 50 states, and has had a relationship with Church Supplies & Services (the CO+OP) for more than 12 years.

We manufacture and distribute cleaning chemicals, and distribute paper towels and tissue, can liners, and custodial supplies and equipment.

Hillyard does not just sell products manufactured by someone else...

we pioneer R&D to provide our own innovative cleaning products and equipment. In addition, we back up our products with extensive training and consulting to assist our customers in balancing their maintenance budget with the cleanliness of their facility.

Cleaning Cost Analysis Program

Our "Cleaning Cost Analysis Program" demonstrates our passion for providing our customers with the ability to optimize their cleaning resources. CCAP is a vendor-managed software program that helps customers manage and understand their cleaning operation and is the most extensive database of cleaning procedures and cleaning times in the industry. CCAP allows us to assign and balance workloads, monitor and assess quality, generate critical reports and implement standardized training and certification. Learn more at www.hillyardccap.com.

Value Proposition

Our "Value Proposition" is to understand our customers' changing needs, deliver effective solutions, and continuously support our customers with the right services and products. Providing one-stop shopping effectively reduces our customers' overall cost of procurement.

We Deliver

We are staffed with highly trained facility consultants to help our customers tackle any maintenance issue. Each of our locations is fully stocked with Hillyard cleaning products, as well as a full line of daily use supplies, including handsoap, air care, cleaning equipment, mops, buckets, pads, matting, restroom supplies, paper products, can liners and waste receptacles. We also offer inventory control services, equipment repair and rental, as well as on-site training to help our customers get the most out of their cleaning resources.

Our customers can utilize our state-of-the-art online e-commerce web site, www.HillyardB2B.com to make ordering even more convenient. HillyardB2B e-commerce allows our customers to place orders 24/7/365, with access to technical data, MSDS and other useful resources.

Customer Service

Customer service defines our success and begins with the Account Manager working hands-on with our customers to uncover needs, solve problems, and even train their employees. Our order intake options include live, pleasant people who will take your call, answer your questions and handle your needs. www.hillyardB2B.com is not merely an ordering site. Our customers can also review their purchase history, obtain MSD Sheets, research solutions to new problems and place orders...24 hours a day.

Integrity Furniture

"Honoring God through our relationships with our customers and suppliers."

INTEGRITY
F U R N I T U R E

At Integrity Furniture, we do more than offer a line of fabricated furniture that is identical to what you can get from numerous other companies. What we offer is a line of church and school furniture that is made with the quality materials and construction you want in either setting to be both attractive and durable. Our furniture is also available at reasonable prices to fit a variety of budgets, and we back all of our products with superior customer service. Our integrity in dealing with customers and suppliers is important to us, as our name implies.

When you are in need of furniture for your church, school or organization, we have the products that will meet your specific needs. Our selection of Early Childhood items includes the furnishings and carpets for kids in both a "Faith-Based" theme that features familiar Biblical characters and a general line that includes the alphabet, shapes, numbers and more. We also have bookshelves, changing tables and cribs, blocks, lockers and sensory tables. For older students we have student desks in Artco-Bell, National Public Seating, and Virco styles to suit a variety of needs and budgets.

Our staging equipment is another versatile type of furnishing that can be used in a variety of settings. Portable stages allow you to choose the size and height that you need, in addition to a choice of surface types. They are available with carpet, hardboard and polypropylene.

We also offer a selection of seating that comes in an extensive range of options for cafeteria tables, auditorium seating, worship seating chairs and more. Our folding chairs are available not only in the standard metal design, but you can also choose from upholstered with fabric or vinyl, in addition to plastic chairs.

We offer a variety of particleboard and plywood core folding tables with multiple laminate color selections. We also offer lightweight folding tables with either ABS plastic or blow-molded plastic table tops.

Integrity Furniture is here for you in the early planning stages of your building projects to provide a quote for your budget. We are also available to meet with your committee or building manager to discuss products and delivery options.

Visit our website at www.integrityfurniture.com to see all the products that are available for your church or school. You can also reach us at 1-888-600-8639.

MityLite, Inc.

DURABILITY BY DESIGN

MityLite has been deeply involved in supporting the worship market for more than 25 years. In its beginnings, the company was established to develop a highly durable and lightweight folding leg table for the church market. Since then MityLite tables and chairs have become the industry standard for quality and performance in a wide variety of rigorous commercial environments. Our experience in the worship market gives us a great appreciation for the need to design, develop, and manufacture long-lasting products that provide the lowest possible cost of ownership.

“Every dollar in ministry was given by someone . . . we’re determined to stretch those dollars to make more of the funds available for ministry. Part of our responsibility is to make good decisions and recommendations in the interest of real stewardship. We’re confident to recommend MityLite and proud to have them in our CO+OP vendor group. The products that they produce are top quality; they last and last.”

- Dan Bishop, CO+OP Connection Partner

With more than 30 new products launched in the last five years, MityLite today is quickly becoming your single source for all multi-purpose, educational, and worship space furniture. MityLite’s product lines now include a wide variety of innovative folding and stacking chairs, folding tables, partitions, staging, and more. With hundreds of options available, each made-to-order product is backed by MityLite’s industry-leading warranty and factory-direct customer service.

“It is a tall order to exceed expectations in today’s marketplace; however, our foundational focus on durability provides the strength to meet economic and engineering demands while allowing us the ability to create well-designed products and relationships that last.”

- John Dudash, MityLite President & CEO

MityLite was recognized as the Utah Manufacturer of the Year in 2011 by the Utah Manufacturing Association and is among 100 world-class manufacturing companies recognized by Frost & Sullivan’s Manufacturing Leadership Council in 2012 and 2014. To learn more about MityLite’s exceptional products, you can reach a representative toll free at 877-214-2005 or request info at mitylite.com/coop1.

Experience the PJS Innovative Cleaning System

The foundation of the PJS Innovative Cleaning System (ICS) is a comprehensive, systemized approach to all aspects of the cleaning and operations process with the purpose of reducing costs while increasing efficiency, cleaning levels, and worker morale. This results in a cleaner and healthier facility that exceeds all industry standards. The system employs rigorous quality control, safety, and training programs. Quality is achieved with a combination of the best people and the best systems in partnership with clear, consistent communication. PJS has formalized these critical elements to ensure that our clients' needs and expectations are not only met, but exceeded.

PJS has a long-standing Commitment to GREEN CLEANING for

- Health
- Safety
- Environment

PJS believes in supporting our clients' **LEED Certification** efforts by making our LEED-AP available as a project member or consultant. PJS also offers a powerful **Online LEED Document Management Program (LDM)** to its existing clients.

Call 713-850-0287

PJS is proud to serve a wide variety of commercial clients:

- Commercial Office Buildings
- Schools/Churches
- Healthcare
- Industrial
- Full Line of Special Services including Power Washing and Parking Lot Striping

Residential

3M - A clearly better way to bring light into your home. For more than 40 years, **3M** has been improving light with window film.

*"Trust **3M** To Enjoy Your Light, Your Way."*

Commercial

Windows are beautiful, but they come with their share of problems: high energy costs, discomfort, safety, security and fading. **3M** is the name you can trust to help eliminate these problems.

*"Trust **3M** To Enjoy Your Light, Your Way."*

Decorative

Through INFINITEOPTIKS privacy can be customized allowing light to pour in, and creating a unique open feel. Any color, any look is now possible for your glass and wall areas.

*"Trust **3M** To Enjoy Your Light, Your Way."*

Safety / Security

3M can do more than shield you from high electric bills. **3M** window film can help shield you from unwelcome events like hurricanes, severe storms, accidents, vandalism and burglaries.

*"Trust **3M** To Enjoy Your Light, Your Way."*

TES Energy Services, LP

*Low Cost Electricity for Home or Business...
and Much More!*

TES Energy started out in utility construction in 1949 as general contractors and then branched into electricity deregulation about 10 years ago. If you're not familiar with TES, they negotiate the lowest cost for electricity—under market rates—particularly for churches and schools. They put the retail electric providers into “bidding wars” for your business. Through careful negotiation, the lowest possible rates are provided to your organization. TES also has pre-negotiated specific terms and conditions to benefit non-profits, and created a “Power Buying Pool” of churches to create a large, combined group of contracts to negotiate with the provider community. This has successfully brought an under market rate to over 400 churches, schools, and non-profits, and the number is continuing to grow.

TES can review your current account for operating efficiency, handle waste and recycling, do lighting retrofitting, and provide water adjustment for treatment of lime and mineral build-up on pipes, ice makers, and air conditioning condenser units. Along with providing low cost electricity and their other services for your business, they also provide low cost electricity for your home.

They have contracted with some of the largest mega-churches, such as the Potters House in Dallas, down to the smallest neighborhood churches in Texas and have helped them lower their utility bills up to 40% by our “Power Buying Group” and our other cost-saving services. TES has a powerful set of partner companies to assist customers, along with the rest of the CO+OP Vendor team.

TES Energy is a national company, doing business in all deregulated states. TES is licensed in the states of Arizona, California, Connecticut, Delaware, the District of Columbia, Illinois, Maine, Maryland, Massachusetts, Michigan, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, and of course, Texas.

Their staff is made up of five industry analysts, an office team providing full office support, a residential desk, and over 15 outside sales people. CO+OP customer support is backed by the office staff and directly serviced by area account manager Michael Bernstein in Houston, and area account manager John Blunt in Dallas. They are both involved with and support every CO+OP account. Pat Teague, CEO, is the executive manager for the CO+OP account, based out of Dallas. The office is open 8:30 a.m. to 5:00 p.m., Monday through Friday.

TES Energy Services is certified by TEPA, Texas Energy Professional Association. Every energy consultant at TES has been certified through extensive testing by TEPA of energy industry knowledge and experience.

To use their services or to get more information, contact one of their Texas Energy Professional Association Certified energy consultants. Michael and John are available for account calls any time of day.

Houston area: Michael Bernstein – Phone: 832-516-8525 – mbernstein@tesenergyservices.com

Dallas area: John Blunt – Phone: 214-697-0567 – john@tesenergyservices.com

TES is proud to announce Debbie Bennett has been added to their Houston Staff. Debbie can be reached at 817-692-8526 or dbennett@tesenergyservices.com.

Visit www.tesenergyservices.com to download the company brochure.

Total Recreation Products

Texas' Exclusive GameTime Representative!

Every child is unique, and ALL children need to play. At Total Recreation Products it's our mission to design fascinating, safe, and engaging PLAYGROUNDS! Our sales staff live, work, and play throughout Texas and Louisiana, so you can be assured that they will understand your needs on a personal level. They can assist you in the customizing, design and development of your project from initial idea to grand opening.

Whether you need playground equipment, surfacing, site furnishings or sports/ fitness equipment, we're here every step of the process. We have experienced territory sales managers in your area available to meet with you to design and plan your unique play area. Our in-house CAD department will make your design dreams a reality, and our customer service representatives will walk you through the entire process from initial proposal to completion.

Total Recreation employs four National Playground Safety Institute inspectors, so we are always up to date with playground safety standards and guidelines. You can rest assured that we only sell the highest quality, safest products found. GameTime products are ISO 9001, ASTM, CPSC and IPEMA certified and fully backed by one of the best insurance and warranty programs in the industry. In addition, many of our territory sales managers are also certified GameTime playground installers. They help ensure that your equipment is installed with all safety guidelines in mind.

Please give us a call and we will put you in contact with the Territory Sales Manager for your part of the state.

800-392-9909 or email: info@totalrecreation.net

Bring play to nature with an exciting line of trail components that bring children and families to the trail or play environment. Create fun learning opportunities with playful elements, educational signage, and nature-themed site amenities.

GameTime
A CORE Company

WaterLogic, headquartered in Houston, Texas, is a professional water conservation and irrigation management company. WaterLogic uses smart-water controllers to achieve the greatest savings in irrigation water and offers an unlimited warranty for products and services, for the life of the service relationship.

Creative water management can assist churches in their quest for handsome landscape grounds while protecting our most precious natural resource with the benefit of saving significant amounts of money, thus allowing your church to use that money for other important church needs.

WaterLogic Smart Water Technology applies just the right amount of water at just the right time, so we may create a healthier landscape environment for your church members and guests.

WaterLogic has the exclusive license to broadcast weather information from the weather stations it owns, leases and maintains in Houston to its smart-water devices.

Wasting Water Wastes Money. Utilization of Rain Bird's most technologically advanced equipment, enhanced by WaterLogic's professional water management consulting services, results in the elimination of inefficient water usage. We ensure that you use just the right amount of water at just the right time for your landscaped areas.

"Six months ago we completed a project with WaterLogic in which we replaced the irrigation (sprinkler system) control units for two of our systems with new programmable controllers. The purpose for doing this was threefold: water conservation, expense savings and preserving the new landscaping investments around the Church, E.C.C. and School buildings. Annualized at this rate, this would be a full year savings of 523,000 gallons of water and \$4500.08 in expense savings. We are on course for an early pay back on our initial investment with the confidence and knowledge that will be saving over half a million gallons of one of God's most precious natural and life giving resources."
 - WaterLogic Client, Chuck Pearce, Houston, TX

Save Money and Change Lives by
 Conserving Water and Creating a
 Healthier Landscape

WaterLogic's CO+OP mission is simple. We want to help save your church money.

Let WaterLogic provide you with a FREE - NO OBLIGATION irrigation water savings and use analysis for your religious organization. Contact Leslie Keen with WaterLogic at 713.974.8889 or 832.541.9815 or go to www.WaterLogic-Texas.com.

Frost Bank, Public Finance Division

Working for Texas for 146 Years

From our beginnings in 1868 as a small mercantile store in San Antonio, Frost has grown into a full-service financial institution, serving businesses and individuals across Texas. Our goal in the beginning remains our goal today: to help Texans have a better life. That simple approach has served us well through 146 years of good times, tough times, and everything in between.

Today we are one of the largest financial institutions based in Texas, serving all the state's major markets with banking, investment and insurance services. To better serve the banking needs of government and nonprofit organizations, we have specialists in each of our regions with knowledge and experience to help meet the financial challenges of our fellow Texans.

At Frost, our main focus is on building a relationship. Our Public Finance Division will work with you, side by side, to make sure you get the attention you deserve. Each specialist will take the time and effort to really get to know your organization, your goals and your needs. Then we will make our recommendations based on your long-term best interest.

For more information, please contact one of the Frost Bank employees listed below, or visit frostbank.com.

Noel M. Byrne, Division Manager (713) 388-1146

Shirley Cox, North Texas Sales Manager (817) 420-5563

Anthony White, South Texas Team Leader (210) 220-6996

Jeff Nuckols, Gulf Coast Texas Team Leader (713) 388-1138

Martha Martin, Public Sector Treasury Sales Manager (214) 515-4948

Kim Spears, Statewide Public Finance Coordinator (361) 844-1202

Let us take care of your organization's financial well-being so it can take care of the community.

Deposit and loan products are offered through Frost Bank, Member FDIC.

Investment management services and trust services are offered through Frost Wealth Advisors of Frost Bank.

Investment products are also offered through Frost Brokerage Services, Inc., Member FINRA and SIPC.

Insurance products are offered through Frost Insurance for solicitation in the state of Texas. Sysco/PointSource

A GPO You Can Count On...

PointSource has been in business since 2004 as a Group Purchasing Organization (GPO) revolving around foodservice food, and paper and cleaning supplies. Dieter Kadoke and myself (Frank Dameron) are the two managing partners of PointSource; we worked together prior to forming this company. PointSource is headquartered in Dallas and associated with SYSCO Nationwide.

Dieter and I are both chefs by profession, having worked in the Wyndham Hotel chain for 24 years, handling annually about \$6 million in rebates and allowances, so we know the business inside and out.

We offer single foodservice operators the ability to purchase foodservice items competitively because we leverage the volume of all members of the GPO. All members are able to take part in the marketing opportunities afforded the whole group.

PointSource has been helping small and large churches, universities and hotels with their food service needs for over seven years by providing product specification, national pricing and rebates and allowances quarterly, further reducing your cost. We can help you purchase the best products at the best price!

New and innovative ideas have been set up by PointSource to offer even more savings:

- Rebate programs with many well-known product manufacturers. Every quarter we invoice the manufacturers and send the rebate checks to our customers.
- We have negotiated an innovative delivery size incentive schedule, which further drives down overall food costs.

Our PointSource GPO is contracted with over 80 leading manufacturers such as General Mills, HJ Heinz, Campbell's Soup, Smuckers, Hormel, and many more notable companies.

To learn more about PointSource and all that it can offer as a Group Purchasing Organization, visit our website at www.pointsourceservices.com. We also have info sheets available on request. For consultations with PointSource, call us at 214-336-0935. We are available 8:00 a.m. to 8:00 p.m., 7 days a week.

"BEMA has made us more effective in reaching others. Where other firms could not understand the sacredness of our mission, BEMA has excelled in keeping our infrastructure in step with our needs and led us to make the appropriate technological advancements as our church has rapidly grown. Every church needs a partner like BEMA to be effective as the Body of Christ."

Patrick Kelley, Senior Pastor
 River Pointe Community Church

"We love BEMA. They have enabled us to take huge strides in upgrading our network, which has put us on a new level of efficiency."

Lisa Allen, Administrator
 First Baptist Pasadena

"We had a hard drive fail last week. Your engineer stayed late until the job was finished and the server was up and running. It's times like these which make us very thankful we have a relationship with BEMA."

Tom Cordero, Associate Pastor
 Braeswood Assembly of God

TECHNOLOGY SOLUTIONS

FOCUSED ON CHURCHES, MINISTRIES AND NON-PROFITS

Who We Are

BEMA delivers effective, secure, and reliable information technology services to churches, schools, and ministries across the nation. We have thirty employees on staff in Houston, Texas.

BEMA clients pursuing service missions have access to quality technology solutions, flexible support, technical excellence, and superior client service. Knowing that service organizations often have limited budgets, we offer solutions that are mindful of their unique missions, circumstances, goals and resources.

What We Do

BEMA offers a variety of technology solutions, including:

- Comprehensive technology assessments
- Project work
- Ongoing support
- IT strategy (cloud computing, hosted solutions, virtualization, co-location, etc.)
- Voice over IP phone solutions
- IT Plan creation
- Budget preparation
- Relocation assistance (new facilities, office moves, etc...)

Questions We Answer

- What is cloud computing, and is it right for me?
- Can my staff work remotely in a secure fashion?
- Should I use a co-location facility for disaster recovery purposes?
- Should I buy Macs for everyone who requests one?
- Does virtualizing my servers really make sense?
- Should we allow our employees to bring their own devices to work (BYOD)?

UNITED BY VALUES

At Core Benefits, we've created a respected firm that specializes in putting people first. Our goal is to provide you with unbiased, expert and thoughtful guidance through common Core values. We strive to recommend strategies for your church and business that are designed to foster happy, healthy and productive employees while meeting your financial goals and ministry budget.

CORE BENEFIT SERVICES, INC.
• EST. 1988 •

Core has a designated CO+OP team of Christian agents who will work hard to assist you with your benefits and plan administration. Kim Whaley has been in the industry since 1991 and with Core for over 7 years. In her role as an agent and a Registered Health Underwriter, she has focused on understanding ACA regulations and what you need to do to stay compliant. Regardless of group size or if you need individual plans, Kim can custom design a program to meet your budget and employee needs.

Rachele Posey is celebrating her 18th year in the insurance industry. Having served individuals, employers and brokers, she is able to bring fresh perspectives to the table. As the federal legislative chair for our local health underwriters association, she stays current on the rules and implementations regarding the ACA. With alternative funding experience, Rachele can deliver unique options in order to maintain a financial balance.

Services for Employers include:

- **Plan Design** – We will meet with you one on one to determine your goals and financial guidelines and design a benefits program to meet your needs. This can include medical, dental, vision, long- and short-term disability and worksite benefits to help with high deductibles. With the exception of medical, plans can be offered to your staff on a voluntary, employee- paid basis to allow them access to large group benefits without impacting your budget.
- **Plan Administration** – Assistance and research to keep you informed and in compliance with all state and federal laws, including ACA. We take responsibility for new-hire enrollments and terminating benefits for employees no longer with you. We will assist in establishing your ERISA plan as mandated by the federal government, as well as COBRA administration.
- **Claims Management** – when a claim is made, we assist in the process from the first filing of a claim to its resolution
- **Benefits Education** – Craft a competitive employee benefits plan to recruit and retain valuable employees and conduct meetings to educate your employees on the plans offered.

Confused by health insurance? We can help!

American Business Machines

Servicing Houston and Surrounding Areas since 1954

AMERICAN BUSINESS MACHINES

American Business Machines was established in 1954 on the principle of offering our customers the best available technology in business machines and the highest quality service, in an easily accessible and efficient manner. Over 50 years later we still adhere to that principle. We know that our clients are concerned with running their business, not their business machines.

Product Solutions offered by ABM:

Copiers/Mfp

ABM offers products from the industry's leading manufacturers. ABM's superior product line includes a full range of industry-grade office equipment to address all business needs. From color to black-and-white imaging, stapling to folding, scanning to faxing and emailing, our equipment provides the best possible output and greatest possible productivity output that enables our customers to increase office productivity.

Wide Format

For commercial print service providers who want to effectively produce durable outdoor and indoor signs, banners, posters, billboards, wraps, and more with vivid colors on flexible and rigid media. ABM offers a full line of wide-format office equipment that produces professional color images and stunning photo-quality prints in sizes up to 44 inches wide. Wide-format solutions provide versatile printing and use up to 40% less energy than laser-imaging equipment.

Digital Duplication Equipment

Digital duplication equipment enables customers to communicate ideas for less than the cost of a black-and-white copier. Savin's full line of digital duplicators offers a variety of features and publishing options including color imaging and computer connectivity. Savin digital duplicators enable customers to provide an impressive level of service to meet high-output demands. Schools, churches and other organizations benefit greatly from digital duplicator utilization. Allow ABM to demonstrate to your organization how digital duplication equipment can reduce your monthly imaging costs and improve the quality of your important documents.

Facsimile

When it comes to office equipment, nothing is more important than consistent, reliable performance, but just because a task is simple doesn't mean that it is always easy to do. ABM's line of facsimile equipment delivers the quality that one would expect from ABM. All-in-one features make it possible for small to large organizations to address real-time document response needs in an efficient hardcopy format.

Document Management

Today's business environment is inundated with information. In fact, many organizations are under-utilizing information in traditional, stand-alone filing systems. ABM's document management systems enable customers to reduce hard-copy documentation while maintaining electronic files in a safe online storage facility. Documents can be easily archived and retrieved with the click of a mouse, and the cornerstone technology is employed to bring order to customers' informational chaos. By utilizing this unique technology, an organization can streamline document workflow and save money on document storage expenses. Schedule an appointment with one of our knowledgeable sales consultants today to learn how you can improve your organization's production and productivity.

Print Management

FMAudit offers you more choices when it comes to capturing meter readings. This allows you to select the data collection methods that best suit your needs.

Scanners

ABM offers a full line of document scanners that deliver unsurpassed image quality, speed, and advanced paper handling to meet the needs of any user in any business environment.

Interactive Display Technology

Interactive Whiteboard is specially designed for educational institutions and businesses, allowing multiple users to write simultaneously on the board using both finger and electronic pen. Complete with an abundance of interactive technologies, this is the tool you need to keep those ideas flowing and engage your audience. With remote PC operation, anything you write with the electronic pen can be saved with your application in video and audio file formats. Our interactive display software will engage your audience through interactive learning.

Schedule an appointment with one of our knowledgeable sales consultants today to learn how you can improve your organization's production and productivity. Contact ABM at abm@abmtexas.com or visit their website at www.abmtexas.com.

TES Energy Services, LP Saves Churches an Average of 30% on Their Electric Bill!

✓ **Lower Your Electric Bill! Join our "Power Buying Pool"**

By enrolling in our "Power Buying Pool" group rate, you will be leveraging the buying power of over 400+ churches and schools. Contracts can start in either 2014/2015/2016. Contact us to enroll your facility now!

✓ **Contract Terms to Fit Your Church or School Needs**

TES Energy Services, LP, partnering with the Church CO+OP, has special terms written into the contracts to benefit your Church or School!

✓ **Relationship with Providers**

Placing over 4 billion kWh, we have great buying power and very strong, positive relationships with over 25 qualified Texas Retail Electric Providers.

✓ **Market Timing**

Today's marketplace is a fast-changing, commodity-based playing field. We are constantly monitoring the marketplace – every hour – for buying patterns, enabling you to focus on your specific business issues.

✓ **Competitive Negotiations**

TES Energy Services, LP brings the providers that are interested in your church or school's specific needs into a "Hot Box" to push the price down.

Once your "Strike Price" has been negotiated, TES will present you with one or more contracts and strategies to choose from.

✓ **As Your Consultant**

As your consultant, we will represent you on any issues in the future with your contracted provider (billings, meters etc.).

When it was time for us to replace units we did our research to make sure we were good stewards...multiple bids...multiple references. We chose Champion Forest AC even though they were the lowest bid...by far...and their references were "too good to be true". Our experience has been as good as the references said. From dealing with Ken to working with Joe and the other guys...very pleased.

Integrated Access Control and Security

Managing a facility accessible by multiple groups of people at different times can present a variety of access control and security concerns. Our integrated access control systems are economical and provide enormous security benefits and peace of mind, without sacrificing access flexibility. We take the time necessary to ensure that the system we design and install addresses your unique issues. We have access to the best technologies, and specialize in non-proprietary systems that keep you in control.

Over 25 years of local ownership, operation and service to the greater Houston area

Bringing customers an unmatched commitment to service, excellence, and lower costs

We also specialize in the installation, monitoring and maintenance of:

- Electronic Security and Fire Detection Systems
- Video Surveillance
- Communication Systems: Telephone and audio/video intercom systems
- Asset Theft Protection, like lacing A/C units to detect theft or vandalism

Serving church communities, home and business

State Licenses: B-05803 & ACR-1650640

SYSCO offers the widest selection of food and related products in the industry. PointSource has created a manufacturer rebate and allowance program, comprised of agreements with over 90 manufacturers, which they offer in sync with SYSCO. The services are free of cost to CO+OP ministries. PointSource invoices manufacturers quarterly and returns to your ministry the rebates and allowances earned. Together SYSCO and PointSource can quickly and efficiently reduce your food costs.

To sign up or inquire about the program, please call **Dieter Kadoke at 214-336-0935**

Texas Ministry ConferenceSM Together We...

The vision of the Texas Ministry Conference is to provide tools and resources for people in all types of ministry and ministry support. This includes, but is not limited to, churches, schools, para-churches and other non-profit organizations.

Our Texas Ministry Conference mission is to provide affordable training, educational workshops, quality vendors and sponsors, networking, fellowship and encouragement.

This conference is for everyone: People in leadership who drive the vision of their organization and those who support them. Invite your employees; committee, lay, council, and session members; elders and volunteers. Bring your entire team!

The Texas Ministry Conference is held the third Thursday of each February at Champion Forest Baptist Church, located in Northwest Houston. For more details about the conference go to www.TexasMinistryConference.org or contact our Executive Director, Patti Malott at 832.478.5131. You can also reach her at patti@TexasMinistryConference.org.

"This conference was a non stop information machine."

"This is the best conference for the money that I attend."

"The Texas Ministry Conference was not only relevant and on point for current issues that we deal with in a variety of ministries, but it was incredibly encouraging and helpful in equipping us with how to better handle those issues."

Quotes from 2014 Texas Ministry
Conference attendees

*"The conference far exceeded my expectations.
I'll be returning."*

*"This is the best conference and the best valued
conference we attend."*

*"This conference dealt with the specifics
of day to day ministry."*

Quality People. Building Solutions.

AC · HEATING · PLUMBING · REFRIGERATION

About Us...

With over 65 years in the mechanical and plumbing contracting industry, Comfort Systems USA (South Central) has positioned itself as a leading provider of lifecycle services and solutions in Houston, Texas and surrounding areas. Our solid reputation for quality workmanship is attributed to our highly qualified and experienced team, whose dedication to our clients and projects is unparalleled in the business.

Our proven performance led us to be among the 12 founding companies of Comfort Systems USA, now the nation's premier provider of mechanical solutions with over 50 affiliate companies across the nation. As a part of the Comfort Systems USA family, our buying power, bonding capacity and financial strength is unrivaled, putting us in a position to provide competitive offerings that give our clients the highest value as well as peace of mind.

Why we stand apart from the rest:

- Safety record that outperforms the national average
- Technical proficiency with all major manufacturers
- National Footprint / Local Presence
- An Energy-Star® partner
- United States Green Building Council member
- LEED® Accredited Professionals

Why Comfort Systems USA South Central?

We pride ourselves on being the source for all your HVAC and plumbing needs. We not only engineer and design mechanical systems and controls, we install, retrofit, upgrade and finance them as well. Our team of experts look forward to partnering with you to deliver bottom line results throughout the life of your facility.

Service and Maintenance

Customized Programs Designed to:

- Reduce equipment downtime
- Improve equipment reliability and efficiency
- Protect your investment
- Improve comfort and productivity
- Minimize your building's energy consumption and impact on our environment

Services Available:

- Service On Demand
- Planned Maintenance
- Preventive Maintenance
- Full Coverage Maintenance
- Building Automation Systems
- Indoor Air Quality (IAQ)
- Energy Services
- Plumbing Services

If you need to supplement your current staff with specific expertise, Comfort Systems USA provides on-site service technicians. This allows your staff to focus on your core business while we handle the intricate details of your mechanical system needs.
